

## Financial Hardship Policy

The Telecommunications Consumer Protections Code C628:2019 defines Financial Hardship as a situation where a customer is unable to discharge of the financial obligations in relation to our services due to a reasonable temporary or ongoing cause but where the customer expects to be able to do so over time if payment arrangements are changed.

We are here to help. We will work with you to help you respond to financial difficulty. We are committed to helping customers facing financial hardship maintain telecommunications access and working with you to find a sustainable solution. Any help we can give will depend on your individual circumstances, and we provide help on a case-by-case basis.

## Contact Us

We encourage you to contact us if you experience any difficulties paying your account. Please contact us by calling 1300 882 896 if you would like to discuss any Financial Hardship matters with us. You can do so from 8:00 am to 6:00 pm Monday to Thursday and 8:00 am to 5:00 pm on Friday (Melbourne time).

## The Process

When assessing your eligibility for Financial Hardship we may request supporting documentation to conduct an assessment.

If you satisfy the above definition, we may ask you to provide certain documents such as:

- A statutory declaration or official written communication from a person or support group that is familiar with your circumstances.
- Evidence that you consulted a recognised financial counsellor.
- A statement of your financial position.

We may not be able to assess your circumstances if you do not provide us with the requested information. We may use the information you provide as well as other information available to us. Once we receive all required information, we will let you know within 5 working days whether you are eligible for assistance under our Financial Hardship Policy.

If you are eligible, will work with you to come to an arrangement that allows you to pay your outstanding charges in a way that does not worsen your financial position. Where appropriate we will discuss with you how to limit your spend (this may include barring some service features) during the time of our arrangement and thereafter.

Once we come to an agreement you have the right to request the details of the agreement in writing. You must inform us if your circumstances change (for better or for worse) during our arrangement.

We will not charge you for assessing your Financial Hardship circumstances or for administering the matter.

If you wish to stay connected with us, some options include:

- Restriction of service, in respect of overall or specific services.
- Transferring you to a pre-paid service.
- Low cost interim options until you can continue with original payments.

Some other options for suitable financial arrangements include:

- Agreeing on an alternative arrangement, plan, or contract, including discussing pre-paid services.
- Waiving late payment fees.
- Waiving cancellation fees.

## Complaints Handling Process

You may wish to make a complaint and request a review if you are not satisfied with the outcome of your Financial Hardship application. Pursuant to the Australian Communications Media Authority (ACMA) Complaints Standard, a complaint does not include an initial call to request information or support or to report a fault or service difficulty unless you advise us that you want that call treated as a complaint and does not include an issue that is the subject of legal action. You can also make a complaint in writing by email or post.

We are required to acknowledge all complaints within two working days, use our best efforts to resolve the complaint on first contact and otherwise resolve the complaint within 15 working days. As an additional safeguard to ensure that your complaint is properly handled, any complaints data that we receive will be provided to the ACMA to allow it to monitor our complaints-handling process in line with the ACMA Record-keeping Rules.
